Course Organisers:

Anicia Baron SROT

Ella Donnison SROT, Accredited Hand Therapist (BAHT)

Anna Selby, Research & Postgraduate Manager Pulvertaft Hand Centre

This BAHT Level I course (minimum of 18 hours teaching) is designed for occupational therapists, physiotherapists, and therapy assistants with less than 2-years experience of hand injuries and conditions, who wish to refresh their basic knowledge and skills in the field of Hand Therapy.

This course will be delivered predominantly in a web based distance learning format with pre-recorded formal teaching sessions (12 hours and 15 minutes) via the Pulvertaft Hand Centre learning portal, quizzes and live virtual case study sessions. Delegates can choose whether to undertake the full workshop practical day either face to face or via virtual live session.

There is an expectation that participants will have studied the anatomy of the hand in some detail prior to the course, as only a brief revision of more important structures will be covered. Reading of all course information is strongly recommended.

PLEASE COMPLETE CLEARLY IN **BLOCK CAPITALS**

(NB: The name on the application form is the name that will appear on your certificate)

NOTE: payment is required to reserve a course place
